

# **School Covid-19 Response Plan**

**Scoil Ghobnatan**

**Bellevue,**

**Mallow,**

**Co. Cork**

**P51 KW86**

**August 2020**

## **Introduction**

This *Covid-19 Response Plan* is designed to support the staff and Board of Management (BOM) in putting measures in place that will prevent the spread of Covid-19 in Scoil Ghobnatan

The Covid-19 Response Plan details the policies and practices necessary for a school to meet the Government's '*Return to Work Safely Protocol*', the Department of Education and Skills Plan for School Re-opening and to prevent the spread of Covid-19 in the school environment. The plan incorporates current advice about measures to reduce the spread of Covid-19 in the community issued by the National Public Health Emergency Team (NPHE).

It is important that any proposals and recommendations in relation to the resumption of school based teaching and learning and the reopening of school facilities comply with the protocol and to minimise the risk to students, staff and others. As the advice issued by NPHE continues to evolve, this protocol and the measures management and staff need to address may also change.

The response plan will support the sustainable reopening of our school where the overriding objective is to protect the health of staff and pupils while promoting the educational and development needs of the children in the school.

In line with the Return to Work Safely Protocol, the key to a safe and continued return to work, and re-opening of our schools requires strong communication and a shared collaborative approach between the Board of management, staff, pupils and parents.

This document aims to provide details of:

- 1. COVID-19 School Policy**
- 2. Planning and Preparing for Return to School**
- 3. Return to work safely and Lead Worker Representative(s)**
- 4. Safety Statement and Risk Assessment**
- 5. General advice to prevent the spread of the virus**
- 6. Procedure for Returning to Work (RTW)**
- 7. Control Measures**
- 8. Dealing with a suspected case of Covid-19**
- 9. Staff Duties**
- 10. Covid related absence management**
- 11. Employee Assistance and Wellbeing Programme**

The assistance and cooperation of all staff, pupils, parents/guardians, contractors and visitors is critical to the success of the plan.

Every effort is made to ensure the accuracy of the information provided in this document. However, should errors or omissions be identified, please notify us so that appropriate measures can be taken to rectify same.

**Note:** The plan is a live working document and may be reviewed and amended to take into account new guidance from [www.Gov.ie](http://www.Gov.ie), [www.dbei.ie](http://www.dbei.ie), [www.hse.ie](http://www.hse.ie), [www.hpsc.ie](http://www.hpsc.ie), [www.hsa.ie](http://www.hsa.ie); [www.education.ie](http://www.education.ie);

## 1. Scoil Ghobnatan COVID-19 Policy

This COVID-19 policy outlines our commitment as a school to implement the plan and help prevent the spread of the virus. The policy will be signed and dated by the Principal and Chairperson of the Board of Management and brought to the attention of staff, pupils, parents and others.

### COVID 19 Policy Statement

Scoil Ghobnatan is committed to providing a safe and healthy workplace for all our staff and a safe learning environment for all our pupils. To ensure that, we have developed the following COVID-19 Response Plan. The BOM and all school staff are responsible for the implementation of this plan and a combined effort will help contain the spread of the virus. We will:

- continue to monitor our COVID-19 response and amend this plan in consultation with our staff
- provide up to date information to our staff and pupils on the Public Health advice issued by the HSE and Gov.ie
- display information on the signs and symptoms of COVID-19 and correct hand-washing techniques
- agree with staff, a worker representative who is easily identifiable to carry out the role outlined in this plan in relation to summer provision
- inform all staff and pupils of essential hygiene and respiratory etiquette and physical distancing requirements
- adapt the school to facilitate physical distancing as appropriate in line with the guidance and direction of the Department of Education and Skills
- keep a contact log to help with contact tracing
- ensure staff and pupils engage with the induction / familiarisation briefing provided by the Department of Education and Skills
- implement the agreed procedures to be followed in the event of someone showing symptoms of COVID-19 while at school
- provide instructions for staff and pupils to follow if they develop signs and symptoms of COVID-19 during school time
- implement cleaning in line with Department of Education and Skills advice

All school staff will be consulted on an ongoing basis and feedback is encouraged on any concerns, issues or suggestions. This can be done through the Lead Worker Representative(s) \_Michael Walsh, \_Margaret Butler, Kay Cottrell\_\_\_\_\_.

Signed: James Stanton Chairperson BOM, Michael Walsh Principal

Date: \_\_03/08/2020\_\_\_\_\_

## 2. Planning and Preparing for Return to School

The Board of Management aims to facilitate the resumption of school based teaching and learning and the return to the workplace of staff. The return to the work must be done safely and in strict adherence to the advice and instructions of public health authorities and the Government.

Details for the reopening of the school facility and the applicable restrictions and controls are outlined in this document.

### Procedure for Returning to Work (RTW)

In order to return to the workplace, staff must complete a **Return to Work (RTW)** form, which is available electronically or from the Principal. A hard copy is attached also at **Appendix 1**.

A RTW form should only be completed **at least 3 days** prior to any proposed date of return to the workplace.

On receipt of the completed form the Principal will provide: details of the Induction Training for completion by staff prior to the return to the workplace and details of any additional health and safety measures in place in the school to facilitate the staff member's return to the school facility. All staff have attended meetings within school and availed of DES online training.

## 3. Return to work safely and Lead Worker Representative

Responsibility for the development and implementation of the Covid-19 Response Plan and the associated control measures lies primarily with the Board of Management and the School Leadership.

The Return to Work Safely protocol provides for an agreed procedure between management and staff to appoint a Lead Worker Representative to carry out a specific role. Scoil Ghobnatan has appointed 2 Lead Workers, named below, supported by a Covid 19 response committee to further support the review and implementation of protocols and procedures throughout the school.

However, all staff, parents/guardians, contractors and visitors have a responsibility both as individuals and collectively to have due regard for their own health and safety and that of others and to assist with the implementation of the Covid-19 Response Plan and associated control measures.

Name(s):	Contact details
Michael Walsh Margaret Butler Kay Cottrell	<a href="mailto:principal@scoilghobnatan.com">principal@scoilghobnatan.com</a> <a href="mailto:mbutler@scoilghobnatan.com">mbutler@scoilghobnatan.com</a> <a href="mailto:kcottrell@scoilghobnatan.com">kcottrell@scoilghobnatan.com</a>

The role of the worker representatives is to ensure that Covid-19 measures are adhered to in the workplace as follows

Work collaboratively with the employer to ensure, so far as is reasonably practicable, the safety, health and welfare of employees in relation to COVID-19.

- Promote good hygiene practices such as washing hands regularly and maintaining good respiratory etiquette along with maintaining social distancing in accordance with public health advice.
- Assist with the implementation of measures to suppress COVID-19 in the workplace.
- Monitor adherence to measures put in place to prevent the spread of COVID-19.

- Consult with colleagues on matters relating to COVID-19 in the workplace.
- Make representations on behalf of their colleagues on matters relating to COVID-19 in the workplace.

If a staff member has any concerns or observations in relation to the Covid-19 Response Plan and control measures or the adherence to such control measures by staff, parents/guardians, contractors or visitors, he/she should contact the lead workers who will engage with the Principal/BOM.

#### **4. Safety Statement and Risk Assessment**

**The Department of Education and Skills are engaging with the HSA in order to provide schools with guidance on updating their Risk Assessments and Safety Statements. These are currently being put in place in our school.**

#### **5. General advice to prevent the spread of the virus**

Staff and visitors should at all times adhere to the up to date advice and instructions of the public health authorities in relation to protecting oneself and others against the risk posed by the Covid-19 virus.

Updated advice from the HSE is available on its website – <https://www2.hse.ie/coronavirus/>

The Department of Education and Skills will ensure all updated advice is circulated to schools. Scoil Ghobnatan will arrange for this advice to be circulated to staff, pupils and visitors in a timely manner.

The most common respiratory symptoms of Covid-19 infection include; a high temperature, fever, cough, shortness of breath and breathing difficulties.

Any staff member displaying these symptoms should immediately inform the Principal teacher. They will not be permitted to attend work if they have any of the symptoms listed below:

- ✓ High temperature
- ✓ Cough
- ✓ Shortness of breath or breathing difficulties
- ✓ Loss of smell, of taste or distortion of taste

Staff must inform the Principal of this situation as soon as possible. The following advice is provided to inform school staff and pupils **how to reduce the chance of getting infected by the coronavirus:**

#### ***Wash your hands frequently***

Regularly and thoroughly clean your hands with soap and water or with an alcohol-based hand sanitiser in line with the health guidance, especially after touching another person or their personal items, after using the toilet and before eating or preparing food.

Why? Washing your hands with soap and water or using alcohol-based hand sanitiser kills viruses that may be on your hands.

#### ***Maintain social distancing***

***Our school covid motto of ' maximise distance, minimise contact' underpins our efforts to reduce the risks among staff and children.***

#### ***Avoid touching eyes, nose and mouth***

Why? Hands touch many surfaces and can pick up viruses. Once contaminated, hands can transfer the virus to your eyes, nose or mouth.

## **Practice respiratory hygiene**

Make sure you, and the people around you, follow good respiratory hygiene. This means covering your mouth and nose with a tissue or your bent elbow when you cough or sneeze. Then dispose of the used tissue immediately.

By following good respiratory hygiene, you protect the people around you from viruses such as cold, flu and Covid-19.

Good hygiene practices and washing your hands properly and regularly can help stop the spread of the virus. It is, therefore, crucial that all staff adhere to this advice and adopt the following practices as strictly as possible.

### **Do**

- Wash your hands properly and often
- Cover your mouth and nose with a tissue or your sleeve when you cough and sneeze
- Put used tissues into a bin and wash your hands
- Clean and disinfect frequently touched objects and surfaces.

### **Do Not**

- Touch your eyes, nose or mouth if your hands are not clean
- Share objects that touch your mouth – for example, bottles, cups, cutlery, etc.

### **You should wash your hands:**

- After coughing or sneezing
- Before and after eating
- Before and after preparing food
- If you were in contact with someone who has a fever or respiratory symptoms (cough, shortness of breath, difficulty breathing)
- Before and after being on public transport
- Before and after being in a crowd (especially an indoor crowd)
- When you arrive and leave buildings
- If your hands are dirty
- After toilet use

For advice from HSE on how to wash your hands the following link will be helpful: <https://www2.hse.ie/wellbeing/how-to-wash-your-hands.html>

### **People at very high risk (extremely vulnerable):**

Current public health guidelines have identified groups who are defined as being at very high risk. The HSE has set out these groups, which include people who:

The list of people in very high risk groups include people who:

- are over 70 years of age - even if you're fit and well
- have had an organ transplant
- are undergoing active chemotherapy for cancer
- are having radical radiotherapy for lung cancer

- have cancers of the blood or bone marrow such as leukaemia, lymphoma or myeloma who are at any stage of treatment
- are having immunotherapy or other continuing antibody treatments for cancer
- are having other targeted cancer treatments which can affect the immune system, such as protein kinase inhibitors or PARP inhibitors
- have had bone marrow or stem cell transplants in the last 6 months, or who are still taking immunosuppression drugs
- severe respiratory conditions including cystic fibrosis, severe asthma, pulmonary fibrosis, lung fibrosis, interstitial lung disease and severe COPD
- have a condition that means you have a very high risk of getting infections (such as SCID, homozygous sickle cell)
- are taking medicine that makes you much more likely to get infections (such as high doses of steroids or immunosuppression therapies)
- have a serious heart condition and you are pregnant

The advice for this group is available from the HSE. Staff who are in this group should self-declare on the Return to Work form if they believe that they are at very high risk. Details of the leave arrangements that will apply will be updated by the Department of Education and Skills. Updated details in DES Circular 49/2020 which were discussed at staff training and briefing meetings in August 2020.

If the Board/Principal is unsure whether or not staff fall into the very high-risk category, advice will be sought from the Occupational Health Service. Anyone considered very high risk will not return to work until OHS approval issued.

## **6. Control Measures**

A range of essential control measures have been implemented to reduce the risk of the spread of Covid-19 virus and to protect the safety, health and welfare of staff, pupils, parents/guardians and visitors as far as possible within the school .

These control measures are outlined in this document.

The control measures shall continue to be reviewed and updated as required on an ongoing basis.

It is critical that staff, pupils, parents/guardians and visitors are aware of, and adhere to, the control measures outlined and that they fully cooperate with all health and safety requirements.

*Staff, in particular, should note that they have a legal obligation under Section 13 of the Safety, Health and Welfare at Work Act 2005 to comply with health and safety requirements and to take reasonable care for the health and safety of themselves, their colleagues and other parties within the workplace.*

The following control measures have been put in place:

### **i. Return to Work Form**

Staff will be required to complete a RTW form at least 3 days prior to any return to the school facility (see section 2 above). The purpose of the RTW form is to get confirmation from staff that, to the best of his/her knowledge, he/she has no symptoms of Covid-19 and is not self-isolating or cocooning or awaiting the results of a Covid-19 test.

### **ii. Induction Training**

All staff will undertake and complete Covid-19 Induction Training prior to returning to the school building. The aim of such training is to ensure that staff have full knowledge and understanding of the following:

- Latest up to-date advice and guidance on public health
- Covid-19 symptoms
- What to do if a staff member or pupil develops symptoms of Covid-19 while at school
- Outline of the Covid-19 response plan

Staff will be kept fully informed of the control measures in place in the school and their duties and responsibilities in preventing the spread of Covid-19 and with any changes to the control measures or guidance available from the public health authorities.

If a staff member is unsure about any aspect of the Covid-19 Response Plan, the associated control measures, or his/her duties, he/she should immediately seek guidance from the Principal.

### **iii. Hygiene and Respiratory Etiquette**

It is crucial that all staff, pupils, parents/guardians, contractors and visitors are familiar with, and adopt, good hand and respiratory hygiene practices.

Guidance documentation and Information posters will be available at various locations within the school facility. Information posters will be prominently displayed at appropriate locations within the school facility including offices, corridors, staffroom area, classrooms and toilet areas. Such are intended to inform but also remind everyone about the importance of hygiene in preventing the spread of Covid-19 virus and protecting health and safety.

Handwashing facilities and/or hand sanitisers are available at multiple locations within the school facility and have been installed in each classroom, together with new enclosed toilet roll holders and soap dispensers in every toilet cubicle.

### **iv. Cleaning**

Arrangements for more regular and thorough cleaning of areas and surfaces within the school will be made. Our 3 day provision has been increased to 5 days per week.

Regular and thorough cleaning of communal areas and frequently touched surfaces shall be conducted, in particular, toilets, lifts, door handles and kitchens. Cleaning will be performed regularly and whenever facilities or surfaces are visibly dirty.

All staff will have access to cleaning products and will be required to maintain cleanliness of their own work area. Under no circumstances should these cleaning materials be removed from the building.

Staff should thoroughly clean and disinfect their work area before and after use each day. This has been discussed and agreed with all staff.

There will be regular collection of used waste disposal bags from offices and other areas within the school facility.

Shower facilities shall not be available for use by staff or pupils due to the increased risk associated with communal shower facilities and areas. This shall be reviewed in line with government guidance.

Staff must use and clean their own equipment and utensils (cup, cutlery, plate etc.). Staff will bring own utensils to school daily.

### **v. Access to the school building /contact log**

Access to the school facility will be in line with agreed school procedures.

Arrangement for necessary visitors such as contractors and parents/guardians will be restricted to essential purposes and limited to those who have obtained prior approval from the Principal.

The prompt identification and isolation of potentially infectious individuals is a crucial step in restricting the spread of the virus and protecting the health and safety of the individuals themselves and other staff, contractors and visitors at the workplace. A detailed sign in/sign out log of those entering the school facilities will be maintained. The school will maintain a log of staff and students contacts. In addition see visitor contact log at Appendix 2, which will be implemented.

#### **vi. Use of Personal Protective Equipment (PPE)**

PPE will not be required to be worn within the school facility according to current occupational and public health guidance. However, for a limited number of staff, PPE will need to be used occasionally or constantly due to the nature of certain work activities or work areas. PPE has been supplied for all staff as an extra layer of safety and security and we are strongly encouraged to wear it.

Such include roles where:

- Performing intimate care
- Where a suspected case of Covid 19 is identified while the school is in operation

Appropriate PPE will be available for dealing with suspected COVID-19 cases, intimate care needs and for first aid. This will be updated in line with advice from the HPSC (Health Protection Surveillance Centre)

#### **vii. First Aid/emergency procedure**

The standard First Aid/Emergency procedure shall continue to apply in **Scoil Ghobnatan**.

In an emergency or in case of a serious incident, contact parents/guardians immediately, call for an ambulance or the fire brigade on 112/999 as necessary.

Contact the principal or nearest first aider giving details of location and type of medical incident.

### **7. Dealing with a suspected case of Covid-19**

Staff or pupils should not attend school if displaying any symptoms of Covid-19. The following outlines how **Scoil Ghobnatan** will deal with a suspected case that may arise during the course of work.

A designated isolation area has been identified within the school campus ( **Prefab 3** ). The possibility of having more than one person displaying signs of Covid-19 has been considered and a contingency plan for dealing with additional cases is in place. The designated isolation area is behind a closed door and away from other staff and pupils. This room is 80sq metres in size, similar to a large classroom. It will have 4 stations contained within it.

If a staff member/pupil displays symptoms of Covid-19 while at work in **Scoil Ghobnatan** the following are the procedures to be implemented:

If the person with the suspected case is a pupil, the parents/guardians should be contacted immediately.

- Isolate the person and have a procedure in place to accompany the individual to the designated isolation area via the isolation route, keeping at least 2 metres away from the symptomatic person and also making sure that others maintain a distance of at least 2 metres from the symptomatic person at all times. **Class teacher is responsible for putting this procedure in place.**

- Provide a mask for the person presenting with symptoms. He/she will wear the mask if in a common area with other people or while exiting the premises.
- Contact parents of the individual who is displaying symptoms so that he/she can immediately be directed to go home/be brought home by parents and call their doctor and continue self-isolation at home
- Facilitate the person presenting with symptoms remaining in isolation if they cannot immediately go home and facilitate them calling their doctor. The individual should avoid touching people, surfaces and objects. Advice should be given to the person presenting with symptoms to cover their mouth and nose with the disposable tissue provided when they cough or sneeze and put the tissue in the waste bag provided
- If the person is well enough to go home, arrange for them to be transported home by a family member, as soon as possible and advise them to inform their general practitioner by phone of their symptoms. Public transport of any kind should not be used.
- If they are too unwell to go home or advice is required, contact 999 or 112 and inform them that the sick person is a Covid-19 suspect.
- Carry out an assessment and log details of the incident which will form part of determining follow-up actions and recovery.
- Arrange for appropriate cleaning of the isolation area and work areas involved.

The HSE will inform any staff/parents who have come into close contact with a diagnosed case via the contact tracing process. The HSE will contact all relevant persons where a diagnosis of COVID-19 is made. The instructions of the HSE should be followed and staff confidentiality is essential at all times.

## **8. Staff Duties**

Staff have a statutory obligation to take reasonable care for their own health and safety and that of their colleagues and other parties. In order to facilitate a safe return to work, these duties include, but are not limited to, the following:

- i. Adhere to the School Covid-19 Response Plan and the control measures outlined. The cooperation and assistance of all staff is essential to reduce the risk of spread of Covid-19 and to protect health and safety as far as possible within the school. All staff have a key role to play
- ii. Coordinate and work with their colleagues to ensure that physical distancing is maintained
- iii. Make themselves aware of the symptoms of Covid-19 and monitor their own wellbeing
- iv. Self-isolate at home and contact their GP promptly for further advice if they display any symptoms of Covid-19
- v. Not return or attend school if they have symptoms of Covid-19 under any circumstances.
- vi. If they develop any symptoms of Covid-19 whilst within the school facility, they should adhere to the procedure outlined above
- vii. Complete the RTW form before they return to work
- viii. Must inform the Principal if there are any other circumstances relating to Covid-19, not included in the form, which may need to be disclosed to facilitate their safe return to the workplace
- ix. Must complete Covid-19 Induction Training and any other training required prior to their return to school
- x. Must be aware of, and adhere to, good hygiene and respiratory etiquette practices
- xi. Keep informed of the updated advice of the public health authorities and comply with same.

## **9. Covid-19 Related Absence Management**

The management of a Covid-19 related absence will be managed in line with agreed procedures with DES. All staff familiar with contents of Circular 49/2020 which has been circulated to all staff and discussed at briefing meetings.

## **10. Employee Assistance and Wellbeing Programme**

The Board of Management aims to protect and support the health and wellbeing of all staff (physical, mental, spiritual etc.) both at work, whether in the school facility or at home and outside of work. The Board of Management is mindful that the support and promotion of staff health and wellbeing is particularly important in the current context where the Covid-19 pandemic has caused considerable challenges for, and disruption to, people's personal, family and social lives as well as their work arrangements.

The Board of Management aims to foster a culture and work environment that support healthy behaviours and staff wellbeing and shall continue to make health and wellbeing tools and guidance available to staff as well as organising suitable support programmes, initiatives and events.

These are challenging times for everyone. Should a staff member experience any stress or anxiety in respect of work or work arrangements, he/she should feel free to speak to the principal.

## Appendix 1

### Pre-Return to Work Questionnaire COVID-19

#### Pre-Return to Work Questionnaire COVID-19

This questionnaire must be completed by staff at least 3 days in advance of returning to work.

If the answer is Yes to any of the below questions, you are advised to seek medical advice before returning to work.

Name: \_\_\_\_\_

Name of School: \_\_\_\_\_

Name of Principal: \_\_\_\_\_

Date: \_\_\_\_\_

	Questions	YES	NO
1.	Do you have symptoms of cough, fever, high temperature, sore throat, runny nose, breathlessness or flu like symptoms now or in the past 14 days?		
2.	Have you been diagnosed with confirmed or suspected COVID-19 infection in the last 14 days?		
3.	Have you been advised by the HSE that you are you a close contact of a person who is a confirmed or suspected case of COVID-19 in the past 14 days?		
4.	Have you been advised by a doctor to self-isolate at this time?		
5.	Have you been advised by a doctor to cocoon at this time?		
6.	Have you been advised by your doctor that you are in the very high risk group? If yes, please liaise with your doctor and Principal re return to work.		

I confirm, to the best of my knowledge that I have no symptoms of COVID-19, am not self-isolating or awaiting results of a COVID-19 test. Please note: The organisation is collecting this sensitive personal data for the purposes of maintaining safety within the workplace in light of the Covid-19 pandemic. The legal basis for collecting this data is based on vital public health interests and maintaining occupational health and will be held securely in line with our retention policy.

Signed: \_\_\_\_\_

## Appendix 2

### School Contact Tracing Log for Visitors

Name of School: \_\_\_\_\_

Address of School: \_\_\_\_\_

Contact Person in School for queries: \_\_\_\_\_

Contact Phone Number/email address for queries: \_\_\_\_\_

Name of Visitor	Time of Entry to school	Time of Exit from school	Reason for Visit (Contractor, Parent, Other)	If contractor name of company and address	Contact details of visitor	Date of Visit	Who the visitor met (separate line required for each person the visitor met)	Length of time spent with each person in the school
